DR. DUNCAN'S EXPECTORANT REME-DR.—Afflicted render the not suffer this dis-case to knit its fatal threads in your system; they ease to knit its fatal threads in your system; they are certain to harry you to an untimely grave. Has not experience taught you—have not occurrent proofs convinced you that Consumption is certain death to all whom it may encounter, when left till a late peried? Then why will you delay procuring a remedy in due season to atreast the progress of that fell destroyer? A Cold, which soon terminates in a coughing, by which soreness of throat and inflammation of the mucous membrane of the bronchi is produced, and the Lungs remelered onen to disease. Thus persons suffer themselves to prograstimate until death looks in at the door—when they will begin to be concerned about their health, when in all probability it is too late. May all who have a cold take timely warning, and get rid of it as soon as possible.
